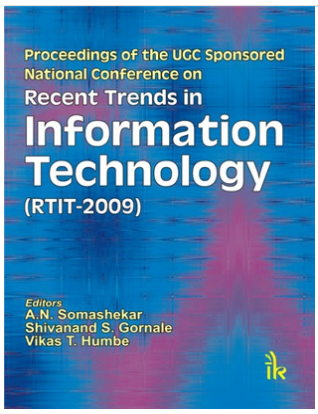
Book Information Sheet



Recent Trends in Information Technology (RTIT-2009), 1/e

A.N. Somashekar, Shivanand S. Gornale & Vikas T. Humbe

2009	352 pp	Paperback	ISBN: 9789380026824	Price: 515.00

About the Book

Information Technology (IT) skill standards provide a common language for industry and education. It provides increased portability depending on attitude and performance of the professionals. The industry recognizes IT education programs that build competency among the academicians to perform best in the new emerging areas of Information Technology like Biometrics, Knowledge Management, and Mobile Computing. Grid Computing, Parallel Computing, Embedded Systems, Nanotechnology. Hence this national conference is organized to bring together leading academicians, industry experts and researchers to facilitate personal interaction; and discussions on various aspects of Information Technology. It also aims to provide a platform for the academicians to express their views about the recent trends in Information Technology with interaction and exchange of ideas among the academicians and researchers.

Table of Contents

- With this focus Technical
- research papers are invited from the students
- Research Scholars
- academicians
- industry persons on the following topics but not limited to:
- Biometrics
- Data Communication & Security
- Digital Signal & Image Processing
- Human Computer Interaction(HCI)
- Embedded Systems
- Knowledge Management
- Grid Computing
- Nanotechnology
- e-learning
- Parallel Computing.

About the Author

Shivanand S. Gornale :- Dr Shivanand S Gornale has completed M. Sc. in Computer Science. M. Phil in Computer Science from University of Pune, in 2009 under the guidance of Dr. K V Kale and has been recognized as research guide for Ph.D. in Computer Science and Engineering from Rani Channamma University, Belagavi and Jain University Bangalore. He has published more than 65 research papers in various National and International Journals and conferences. He is a Fellow of IETE New Delhi, life Member of CSI, Life Member if Indian Unit of Pattern Recognition and Artificial Intelligence (IPRA), Member of Indian Association for Research in Computer Science (IARCS), Tata Institute of Fundamental Research (TIFR), Mumbai, Member of International Association of Computer Science and information Technology (IACS&IT) Singapore, Member of International Association for Engineers;, Hong Kong, member of Computer Science Teachers' Association, USA, Life Member of Indian Science Congress Association (ISCA), Kolkata-India. Presently he is working as Associate Professor, Department of Computer Science, Rani Channamma University, Belagavi-Karnataka. His research area of interest is Digital Image Processing, Pattern Recognition and Biometric analysis.
