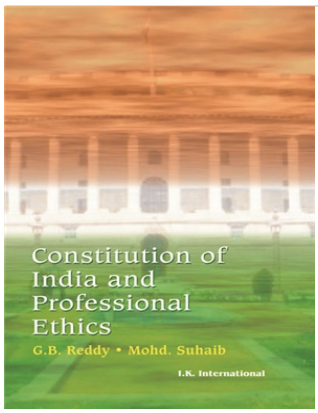
Book Information Sheet



Constitution of India and Professional Ethics, 1/e

G B Reddy & Mohd Suhaib

2009 | 200 pp | Paperback | ISBN: 9788189866013 | Price: 295.00

About the Book

Constitution of India and Professional Ethics is the result of an effort to apprise engineering students and professionals about the fundamental tenets of Indian Constitution and professional ethics to be followed. It contains 10 chapters on the Constitution of India, which offer a bird's- eye view of the Constitution of India, enduring for about six decades. Most important aspects of the supreme law of the land have been discussed in a lucid and simple manner so that the same become easy to understand. It further contains a useful appendix incorporating the relevant provisions of the constitution. Leading and landmark judgments have been discussed at appropriate places. Professional Ethics part in the book has been covered in 8 chapters. It explains the responsibilities of engineers, giving due coverage to some important case studies and code of ethics of various engineering associations.

Salient Features

- Spread in 21 chapters, it is divided in two parts with part 1 elaborating the Indian Constitution, and part 2 dealing with professional ethics.
- Minimal usage of legal jargon for easy understanding of the engineering students.
- Text is supported with real life case studies, and relevant decisions of the Supreme Court and High Courts has been referred to, wherever relevant.
- Objective type questions with answer keys are provided at the end of the book.

Table of Contents

- Section I Introduction
- Salient Features of the Indian Constitution
- Preamble
- Fundamental Rights
- Directive Principles to State Policy
- Fundamental Duties
- Government of India
- Emergency Provisions
- Elections in India
- The Indian Judiciary
- Section II Basics of Engineering Ethics
- Responsibility of Engineers
- Impediments to Responsibility
- Risk, Safety and Liability in Engineering
- Honesty, Integrity and Reliability of Engineers
- Case Studies
- Code of Ethics for Engineers
- Objective - Type Questions

About the Author

G B Reddy :- G.B. Reddy, University College of Law, Osmania University, Hyderabad

Mohd Suhaib :- Mohd. Suhaib, Department of Mechanical Engineering, Jamia Millia Islamia, New Delhi
