

**Operations Research: Question Bank, 1/e**

N V R Naidu, G. Rajendra &amp; K M Babu

2009	192 pp	Paperback	ISBN: 9788189866426	Price: 295.00
------	--------	-----------	---------------------	---------------

**About the Book**

Operation Research has emerged as the most spectacular aspect of optimization techniques. Practising professionals usually rate operations research as the most useful subjects studied in college. Operations Research is designed for the students of industrial engineering and management. This book comprises 12 chapters and provides the introduction of each chapter and various problems of real practical situation in the organizations as well as in daily life.

**Salient Features**

- ▶ Spread across 12 chapters, the book has 500+ problems many of which have appeared in the past examinations.
- ▶ Brief theoretical notes have been given for all important OR techniques.
- ▶ Final answers to the difficult problems have been given.

**Table of Contents**

- ▶ Linear Programming Problems
- ▶ Graphically and Simplex Problems
- ▶ Big M Method Problems
- ▶ Duality and Dual Simplex Problems
- ▶ Transportation Problems
- ▶ Assignment Problems
- ▶ Queuing Systems Problems
- ▶ Project Management Problems
- ▶ Game Theory Problems
- ▶ Replacement Problems
- ▶ Inventory Management Problems
- ▶ Sequencing Problems

**About the Author**

**N V R Naidu** :- N.V.R. Naidu, obtained his B.Tech (Mech). M.Tech, (Industrial Engineering) and Ph.D., in Quality Engineering from Sri Venkateswara University, Tirupati. Presently, he is Professor and Head, Department of Industrial Engineering and Management, M S Ramaiah Institute of Technology, Bangalore. He has 28 years of teaching experience. He has presented/published about 74 technical papers, both in national and international journals/conferences.

**G. Rajendra** :- G Rajendra obtained his B.E., (Industrial Production Engineering) from R V College of Engineering, Bangalore; M.E., from University Visvesvaraya College of Engineering, Bangalore University and Ph.D. in Welding from Visvesvaraya Technological University, Belgaum. Now he is Professor and Head, Department of Industrial Engineering and Management in Dr. Ambedkar Institute of Technology, Bangalore. He has 24 years of teaching experience. He has presented/published 15 technical papers in national journals/ conferences.

**K M Babu** :- K.M. Babu Vice Principal, Professor & Head, Industrial Engineering and Management Department, BMS, College of Engineering, Bangalore
