

Enzymes in Food Processing: Fundamentals and Potential Applications , 1/e

Parmjit S. Panesar, Harish Kumar & Satwinder S. Marwaha

2010 384 pp Hardback ISBN: 9789380026336 Price: 1,495.00

About the Book

This book reflects an in depth study of high academic standards dealing in a coherent and lucid way the most comprehensive and advances in application of enzymes in food processing. This indispensable treatise is the product of combined efforts of leading experts of excellent academic credentials in the area of food technology and biotechnology. This unique volume gives a holistic view about the interventions of enzymes in food processing, i.e.

The present volume is an excellent resource of information especially for food scientists/technologists, biotechnologists, biochemical engineers, biochemists, organic chemists, graduate and research students.

Salient Features

- ▶Handles different enzymes used in food processing at one platform.
- ▶Discusses the methods of enzyme immobilization and application of immobilized enzymes in food processing.
- ▶Describes the use of enzymes as food analytical tools including biosensors
- ▶Illustrates the knowledge about novel strategies in enzyme designing.
- ▶Numerous tables and figures throughout the volume provide illustrative material to support the detailed information

Table of Contents

- ▶Fundamentals of Enzymes
- ▶ Enzymes in Milk and Cheese Industries
- ▶ Enzymes in Baking Industry
- ▶ Enzymes in Fruit Juices and Beverages Industry
- ▶ Enzymes in Meat Industry
- ▶ Enzymes in Sugar Industries
- ▶ Enzymes in Fat, Oil, Flavor and Fragrance Industries
- ▶ Immobilized Enzymes in Food Processing
- ▶ Enzymes as Analytical Tools in Food Processing
- ▶ Novel Strategies for Designing Food Enzymes : Genomics and Proteomics Approach
- ▶ Index.

About the Author

Parmjit S. Panesar :- is Assistant Professor, Department of Food Engg. & Technology, Sant Longowal Institute of Engineering and Technology (SLIET), Longowal, Punjab (India).

Harish Kumar :- is Assistant Professor, Department of Chemistry, Sant Longowal Institute of Engineering and Technology (SLIET), Longowal, Punjab (India).

Satwinder S. Marwaha :- is the Chief Executive Officer of Punjab Biotechnology Incubator (PBTI), SAS Nagar, Mohali, Punjab (India).
