

Fundamentals of Biostatistics, 1/e

P. Hanmanth Rao & K. Janardhan

2010	296 pp	Paperback	ISBN: 9789380578712	Price: 385.00
------	--------	-----------	---------------------	---------------

About the Book

Biological Inquiry needs knowledge of statistical techniques, mathematical competence and support of computer programmes. This text book has been written in a simple and easy to understand language and presents a broad collection of data analysis techniques.

The text book serves the need of different Biology courses, Agricultural sciences, Medicine, Pharmacy, Biotechnology, Genetics, Home science and Nutrition.

Salient Features

- ▶ Worked out examples
- ▶ Exercise at the end of each chapter
- ▶ University question
- ▶ A Chapter on Mathematics.

Table of Contents

Mathematics
 Frequency Distribution—Measures of Central Values and Dispersion
 Probability
 Probability Distribution
 Concept of Sampling and Tests of Hypotheses
 t-distribution
 Chi-Square Distribution
 Linear Regression and Correlation
 Analysis of Variance (ANOVA)
 Annexure
 Index.

About the Author

P. Hanmanth Rao :- Dr. P. Hanmanth Rao obtained M.Sc in Statistics in 1969 and Ph.D. in genetics in 1984 from Osmania University. He taught Biomathematics, Biostatistics, Population Genetics and Quantitative Genetics at undergraduate and postgraduate level for over three decades at the University College of Science at Osmania University.

Dr. Rao was the Principal of Nizam College, a prestigious institute in the country during the years 1997-1999. He was Head of the Department of Genetics during 2001-03 and Chairman Board of Studies, Department of Genetics, Osmania University, during 2003-04. He was superannuated in March 2004.

Dr. Rao is presently working as an Academic Advisor at Sujatha Degree and P.G. College Chapel Road. He was also invited for guest lectures by different colleges. Dr. Rao was instrumental in designing Biostatistics syllabus for UG and PG courses. He is also a consultant in the area of Biostatistics. His research interests are Population and Human Genetics. He has published 25 research papers in national and international journals. He is a life member of the Indian Society of Human Genetics and International Society of Biometrics.

K. Janardhan :- K. Janardhan obtained M.Sc Botany in 1968 and Ph.D. in Botany in 1987 from Osmania University. He has taught Biostatistics at undergraduate and postgraduate levels for over three decades at PG centre, Bhavan's New Science College at Narayanguda. He was heads,

PG Department of Botany for around five years. He was Vice-Principal of Govt. Degree College for women Hussaini alam and Shadan PG College, Hyderabad. He was also associated with Dept. of Biotechnology R.B.V.R. Reddy College for Women, Hyderabad. He was also invited for guest lectures by different colleges and also by Vasavi Research Centre for Human Genetics, Hyderabad. Presently, he is heading the PG Dept. of Biotechnology, A.V. College, Gaganmahal, Hyderabad. His other areas of interest include Genetics, Cytogenetics, Bioinformatics and immunology. He is secretary of Ramanujan Institute of Mathematics and Applied Sciences at Hyderabad.
