Book Review

M B Athreya :- "Even those who have been very successful in their leadership roles could benefit from reading the book. What one has done well, intuitively, becomes clearer."

Avijit Das :- "A wonderful book for anyone who wants to understand and do things to excel as a leader! Dr Kamath has lived up to his reputation of a master craftsman when it comes to saying difficult things in a simple and an understandable manner."

Manu Rikhya :- This book is for anyone who wants to explore, discover, modify and apply behavior, attitude, skills and knowledge to become a successful leader in thought, action or situation. The author has drawn from his long personal and professional experience, Gandhian philosophies, writings of Lal Bahadur Shastri, and saints of wisdom, to demystify the mystical halo around Leadership. In his inimitable style, the author has explored three dimensions of leadership - **Personal effectiveness, Interpersonal effectiveness and Leadership effectiveness.**
